Catholic Schools Week 2018

Sunday, January 28 – Friday, February 2

Catholic Schools Week is our opportunity to celebrate our school, students, families, and community.

Attached is our “Calendar at a Glance.” Please review it with your family.

**We are kicking off our week with a Student Council
run Pep Rally Friday, January 26 @ 11:15pm (students half-day)**

We look forward to sharing this celebration with our families and community!

The National Catholic Education Association created a new logo this year; “Catholic Schools: Learn. Serve. Lead. Succeed.” to encompass the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, we, as educators, are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.

The official CSW logo brings the theme to life. The open book made up of multi-colored pages symbolizes how all areas of Catholic schools blend together, with faith — symbolized by the cross — at the forefront. Catholic schools are vibrant, dynamic and excellent.
